COMMENTS

The Examiner's statements of reasons for allowance are hereby acknowledged by Assignee. Assignee agrees that claimed subject matter is patentably distinct from the documents cited by the Examiner; however, Assignee takes no position regarding the reasons for allowance presented by the Examiner, other than the positions Assignee may have previously taken during prosecution of the above-referenced patent application. Therefore, the Examiner's reasons for allowance should not be attributed to Assignee as an indication of the basis for Assignees' belief that claims are patentably distinct. Furthermore, it is respectfully submitted that there may also be additional reasons for patentability of claimed subject matter not explicitly stated in this record. While in accordance with 37 C.F.R. §1.104(e), a failure by the Assignee to disagree with the Examiner, or file more detailed comments, does not give rise to any implication that the Assignee agrees with or acquiesce in the reasoning of the Examiner, here, by this document, Assignee is expressly making clear that no such agreement or acquiesce is present.
